

Sinclair stations use public airwaves free of charge, and are required by law to serve the public interest. One-sided programs like "Stolen Honor" do not, and are harmful to our democracy. Please stop this politically sensitive programming that does not in any way serve to show the public an unbiased view of Senator Kerry but instead serves only as an attempt to illegally sway the public's political views right before an extremely important date in this country's political history. Sinclair stations should not be allowed to use their broadcasting privilege in this way.

Thank You.
